

MIID REKA Workshop 01

Fundamentals of Professional Practice

DATE
Friday 26th January 2018

VENUE
Ballroom 1, 1st Floor,
Sime Darby Convention Centre

SPEAKER
Ar Dr Tan Loke Mun,
Principal of DRTANLM Architect

So what does it take to be an Interior Design Professional?

This was the topic of the inaugural MIID REKA Workshop, conducted by speaker Ar Dr Tan Loke Mun. He shared the essential knowledge and skills expected of a professional consultant, exposing participants to the most important aspects of the Interior Design profession.

The interactive session proved beneficial to the participants, giving them valuable insights into what is required to be a true professional in their practice.
