## DR. TAN LOKE MUN ARCHICENTRE SDN. BHD. (MALAYSIA)

Dr. Tan Loke Mun is the principal of DrTanL M Architect and Director of ArchiCentre Sdn. Bhd. It operates out of Kuala Lumpur, Malaysia, where it is involved in a variety of high profile work. He is a Past President of the Malaysian Institute of Architects (PAM), Past Chairman of the LAM-PAM Green Building and Sustainability Committee, member of the Board of Architects Malaysia, and also member of the Board of Engineers Malaysia.

Dr. Tan studied at Taylor's College, Kuala Lumpur, and obtained his architectural training from Deakin University and his doctorate from Melbourne University, Australia. Dr Tan's doctoral studies were in social and self help housing. He has worked in most parts of urban and rural Australia, Uruguay and Argentina.

Dr. Tan's architecture embraces regionalism in a modern social context. Dr. Tan believes that well designed buildings and spaces create values for all users, and has managed to interpret and translate simple regional metaphors into his green architecture.

Dr. Tan's works are widely published and he has received numerous Architectural Awards. He lectures widely on Architecture and Design, and is an adjunct Professor at University Putra Malaysia and University Tun Hussein Onn, Malaysia. He is also an industry advisor to Taylors University and Tunku Abdul Rahman University College.
