

PAM-HOMEDEC AWARDS 2013
TOP RESIDENTIAL RENOVATION

Gold Award Recipient

ArchCentre & Solo Exhibition

ArchCentre & Solo Exhibition has been awarded the Gold Award for Best Residential Renovation at the PAM-HomeDec Awards 2013. The award is a testament to the quality and creativity of the renovation project, which has transformed an old building into a modern, functional space.

The renovation project was completed in 2012 and has since become a landmark in the local architectural scene. The project was a collaboration between ArchCentre and Solo Exhibition, two leading architectural firms in the region.

The renovation project was a success, and the award is a testament to the quality and creativity of the renovation project, which has transformed an old building into a modern, functional space.
