## DR TANLM ARCHITECT

[www.dtlm.com.my](http://www.dtlm.com.my)

Dr Tan Loke Mun, is principal of DrTanLM Architect, Director of ArchiCentre Sdn. Bhd. And DTLM Design Group Sdn. Bhd. The architectural design studio operates out of Kuala Lumpur, Malaysia where they are involved in a large variety of high profile work. He is a Past President of the Malaysian Institute of Architects (PAM), Past Chairman of the LAM-PAM Green Building and Sustainability Committee and member of the Board of Architects Malaysia.

Dr Tan's architecture embraces and interprets regionalism in a modern social context. In a rapidly changing world landscape, he believes that well designed buildings and spaces creates added value for all its users. Often working from the basis of typologies, he has managed to interpret and translate simple regional metaphors into his increasingly green architecture.

Dr Tan's works are widely published and he has received numerous Architectural Awards for his works. He lectures widely on Architecture and Design, and is Adjunct Professor at University Tun Hussein Onn Malaysia, and also industry advisor to Taylors University and Tunku Abdul Rahman University College.

# REGISTRATION FORM IDEATION 2.0

THE INTERIOR DESIGN CONFERENCE OF THE YEAR.

**SATURDAY, 21<sup>ST</sup> OCTOBER 2017**

PLENARY THEATRE, LEVEL 3, KUALA LUMPUR CONVENTION CENTRE

**LAM CPD POINTS APPLIED FOR.**

The MIID REKA Conference, organised annually by MIID since 2013, aims to bring the best minds to Malaysia and provide them with a platform to share their work and ideas on design. Diversity is welcomed in terms of varying cultures and design backgrounds as well as in promoting a wide variety of projects undertaken for different clients to open up the minds of participants at the conference.

The theme for this year's MIID REKA Conference is "IDEATION 2.0" as this expresses the continuity in the semantics and connections involved in the process of idea formation leading to the final design. The Conference serves to enable both participants and speakers to explore the variety of methods for Ideation in order to achieve different, innovative results.
